

# WORKING IN INTERNATIONAL MEAT TRADE

HAS NEVER BEEN SO EASY YET

# WORK WITH **GLOBAL SUPPLIES**

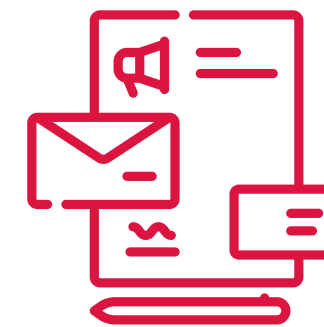

The complexity of searching for new customers and offers or inquiries offline

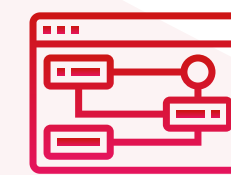

Time-consuming correspondence and negotiations on: date of the goods readiness, quantity, price, payment method etc.

Receiving requests across the entire production range.

Register and publish your offer on the website. Your future partner will easily find you

Use filters on the platform to sort offers by chosen criteria

Publish specific requests for ready-to-sell products

## ABOUT US

Global Supplies is an international b2b marketplace for wholesale trading of meat products.

We have created a simple and convenient way for you to do business remotely and present your product range online. Publish your offer for free and get your first customer requests from all over the world.

Communicate directly with your future partner on the safe meat marketplace Global Supplies!

# YOUR AVERAGE MONTHLY PERFORMANCE INDICATORS ON THE PLATFORM:

-  **Bronze** gets 30 new high-quality unique leads, 25 of which will be on hot requests, provided that the offers limit is fully utilized. According to our statistics, every second account signs a new contract.
-  **Silver** gets more than 2 signed contracts out of 80 hot leads a month, provided that the offers limit of 10 is fully utilized and an active search for partners on the website. **Contract value = \$50.**
-  **Gold** signs minimum 4 contracts per month during three months, generating 150 leads and publishing at least 15 offers per month. **Contract value = \$22.**
-  **Platinum** user receives an unlimited annual subscription, so the number of contracts here is only limited by production or purchasing capacities. **Contract value = \$13.**

signed contracts

# HOW TO GET STARTED

# WE GUARANTEE

## **Safety.**

We protect your contact information with the SSL protection protocol and block any attempts to parse the offer.

## **Refund.**

We are confident in the effectiveness of our platform. However, if you do not conclude a single contract during the first month of using the VIP package and active work, we will give your money back.

## **Search for partners.**

Our platform is already used by 1,500+ verified suppliers from Europe, South America and the USA and 4,000+ verified importers from China, Southeast Asia, West Africa and the Middle East. This number is growing every day!

## **Conversion.**

According to our calculations, every 40th message on the platform is converted into a contract with a 99% guarantee.
